

Erase epitomizes the vast power vested within us by revealing our innermost loops

Workshop : Erase

Published by [laoladmin](#) on 2008/9/29

Erase epitomizes the vast power vested within us by revealing our innermost loops of thought and their subsequent manifestation in the myriad areas of our life. Erase takes you by the hand and transcends realms of behaviour and finally pinnacles into an luminous zone of empowerment that lies unexplored deep within. **---Viral Doshi**
