**Workshop : Wealth with Wisdom**

This workshop helped me to find out what work would be best for me to do and how I would come up in life. It also helped me understand and resolve other problems I come across in my day-to-day work. "Wealth With Wisdom" empowers us with a lot of knowledge about how to lead a successful life. Wealth With Wisdom is a workshop worth doing for everybody because the workshop helps the individual to understand for himself/herself what are the blockages that are causing lack of wealth and why that person has attracted such a situation in life. It also teaches one how to resolve that situation. Most of my wealth issues were resolved during the workshop and gradually I have started doing very well as far as my earnings are concerned. - Cyrus Bhaya ■
