

Thanks for the Erase workshop

Workshop : Erase

Published by [laoladmin](#) on 2009/12/7

"Thanks for the Erase workshop. It exceeded my expectations and healed a lot of aspects that I did not know I had. Also it gave me a lot of answers and I am feeling very forgiving rather than angry. Some magic surely happened. Thanks for being a part of making me get in touch with my own magic. ■■■"
